Thank you!

Thanks to the great response of this congregation through donations both large and small we are in a position to proceed with the installation of our Solar Panels! The bid for the panels came to just over \$41,000.00 and we were blessed with matching funds from two church families. Our challenge as a congregation was to fund the remainder. We have reached that goal – and soon will be taking advantage of the sun to supplement our electrical needs with a sustainable form of energy. Most importantly, we are demonstrating our care for this beautiful creation with which we have been blessed. Last fall we successfully raised the funds for our new boiler system, which was badly needed and was installed and paid for without tapping reserve funds. Thanks to all who participated in these fund drives.

A Prayer for Ukraine

O God of Healing, our hearts are heavy and we can barely keep up with breaking news. We don't know what to say or what to do in a world so wounded and full of hate. Today we come to you with hearts heavy for all who sit in the crossfires of violence and acts of war.

Amen
