Thank you!

Thanks to the great response of this congregation through donations both large and small we are in a position to proceed with the installation of our Solar Panels! The bid for the panels came to just over \$41,000.00 and we were blessed with matching funds from two church families. Our challenge as a congregation was to fund the remainder. We have reached that goal – and soon will be taking advantage of the sun to supplement our electrical needs with a sustainable form of energy. Most importantly, we are demonstrating our care for this beautiful creation with which we have been blessed. Last fall we successfully raised the funds for our new boiler system, which was badly needed and was installed and paid for without tapping reserve funds. Thanks to all who participated in these fund drives.

Phonebooks and Supplement are Available

You can pick them up in the Narthex every Sunday. If You wish to have more then one copy of the Phonebook. Please take a black and white copy for your second.

A Prayer for Ukraine

O God of Mercy, we pray for the people of Ukraine, We pray that you would be with the mothers who carry babies to subway shelters. With the fathers who hold their heads in their hands. With the children who absorb the traumas inflicted upon them by violent acts of wicked men. We pray for those who have become refugees and for those who remain in Ukraine. We pray that they would be comforted and encouraged. Wrap your shield of protection around them. Feed them as you fed your people in the desert and provide them water for their thirst. Enlighten and guide those who seek to provide them shelter in Poland, Moldova, and elsewhere in Europe. **Amen**
