## L.E.D. Lighting upgrade

The property committee recently approved a contract with Kane Electric, from Hackensack, to convert all the fluorescent tubes in fellowship hall, the kitchen, the two bathrooms, and the conference room with LED direct wired tubes. This should help save money on our electric bill and also be friendlier to the environment. The cost to have all the fixtures direct wired is \$4,000. This quote would include removing all the old ballasts and fluorescent tubes and providing and installing new commercial grade LED tubes.

Funding for the project could come from various committees within St. Paul's Lutheran. If anyone would like to contribute to this project please designate their giving to LED Fund on their offering envelope or check memo.

## Love to sing ?

We could use your voice in our choir. Especially Tenor and Bass. All Voices are welcome! Choir Practice starts 4:00 p.m. Wednesdays.

## Sweetheart Parade Float

This year St. Paul's float will be Chuck's fishing boat featuring the slogan: Jesus said, "I will make you fishers of men". Decorating will be minimal. What can you do to help? We need 3 people to ride in the boat. We need 4 people to walk in the parade carrying our church name sign, and our Country Fair sign. We also need 6 walkers to pass out treats to the children attending the parade. It's always a fun time! Let Chuck or Diane and Rick Zaske know if you can help. Sweetheart Days will a week later than in the past, so the parade will be Tuesday, July 16 at 6 pm. We will assemble at 5 pm behind the Co-op. That is the night before our 41st annual Country Fair! Thank you for helping the Hackensack area know we are an active and visible part of our community!
